ON-LINE TRAINING

OTCO offers on-line courses through CEUplan.com. These courses can be used to assist you in your familiarity with subject matter in the water, and wastewater profession. After completion of one of the on-line courses, your training records will be updated in your OTCO Student Transcript. Go to CEUPlan.com and click on the Ohio icon for your training to be applied to your OTCO transcript.

To register and pay on-line, you must use a credit card or debit card and go to: www.ceuplan.com

If you want to pay by purchase order or check, you can do this through OTCO for a \$25 dollar administration fee per transaction.

HOME STUDY

These courses are designed to allow participants to avoid travel while earning Ohio EPA approved operator contact hours. The textbook for these courses have been utilized in traditional OTCO classroom & correspondence courses. To complete these courses, you must read the required text, pass the associated take-home, open book, multiple choice exam with a completion grade of a minimum of 70% within the 90 days allotted. Exam materials can be emailed to students.

OHIO EPA Renewals & Audits

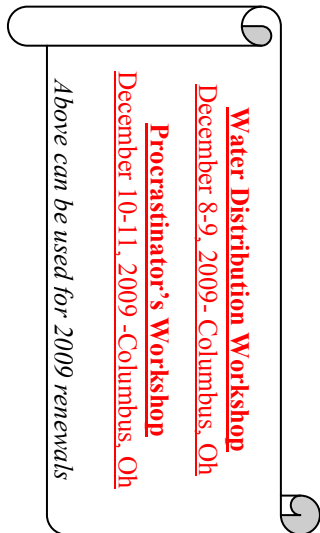

Ohio Section AWWA and ORWA utilizes OTCO for tracking their training events. There is no need to transfer your data to another form for submittal to Ohio EPA for operator certification renewal. Since 2004, the Ohio EPA has approved the OTCO compiled Transcript as proof of attendance for certification renewals **including audits**. If you need assistance in compiling your transcript, contact our office staff for assistance.

Training Fees For 2010

As you complete your budget for 2010, please note OTCO will **not** increase workshop or course fees through June of 2010.
